Auditor-Controller

A handwritten signature in blue ink, reading "Wendy L. Watanabe", is written over the printed name and title.

SUBJECT: **FISCAL YEAR 2012-2013 CASH FLOW PROJECTION**

Attached is the latest cash flow projection for the General Fund and Hospital Funds. The estimated June 30, 2013 combined cash balances for the General Fund and Hospital Funds are positive \$512 million. This amount remains unchanged from the previous month's estimate.

Short-Term Outlook

Our previous report estimated the December 31, 2012 cash balances at positive \$222 million. The actual cash balances were positive \$406 million, or \$184 million higher than anticipated. The positive variances were led by \$51 million of mental health realignment collections and \$30 million of property tax collections. Disbursements were also lower than anticipated, primarily due to timing differences. The estimated January 31, 2013 combined cash balances are positive \$362 million.

If you have any questions, please contact me, or your staff may call John Naimo at (213) 974-8484.
